

# Flip sheet

TUESDAY, AUGUST 18

| FLIPS | MEDIAN PROFIT | AVG MARGIN | BEST FLIP |
|-------|---------------|------------|-----------|
| 20    | \$251         | 91%        | \$532     |

Today's email had room for one flip. The other 19 are here, ranked the same way.

Ranked best-first by sold-comp confidence, sell-through, and margin. **COG** is what the junkyard charges. **Sale** is the average sold price on eBay. **Margin** is profit as a share of the sale. **90d** is sell-through over a 90-day window.

| PART                                                                                                                                 | COG  | SALE  | PROFIT | MARGIN | 90D  |
